Professional Price List

E. & O.E.

Stock Code Description List ex VAT

WiFi Handheld LCD Touch Panels

VT.VIMATY70ZR Wireless 7" LCD touch panel with Zigbee communication and infrared. **£2,498.00**

VT.VIMATY70ZR-ZA Wireless 7" LCD touch panel with Zigbee communication, infrared and ZIGACCESS-MB cellular access port. **£2,846.00**

WiFi Handheld LCD Touch Panel Accessories

VT.V7BT2 Replacement (or spare) battery for Vimaty-70ZR Zigbee panels. **£242.00**

VT.V7TOP Desktop charging cradle for Vimaty 70ZR. **£245.00**

VT.ZIGACCESS-MB Zigbee cellular access point with 1 x MBC port. **£348.00**

VT.ZIGACCESS-KI Zigbee cellular access point with 1 x KNX bi-directional port and 2 x IR outputs (require 2 x VIEC-3501F or 1 x VIEC-3502F IR emitters). **£525.00**

VT.ZIGACCESS-S2 Zigbee cellular access point with 2 x RS-232 and 1 x MBC ports. **£425.00**

VT.ZIG2USB USB ZigBee network configuration key. **£245.00**

IR & Radio Touch Panel Remote Control

VT.WZB-35 3.5" LCD touch panel for wireless IR and radio ZigBee 2.4 GHz universal remote control. Supports direct IR learning and macros. Supplied with charging cradle, USB lead and power supply. **£901.00**

VT.WZB-35RF1 WZB-35 supplied with RF1 radio to IR receiver (WZB-RF1), 3 dual IR emitters (VIEC-3502F) and jack-jack cable for MBC link. **£1,071.00**

VT.WZB-35R2KIT WZB-35 supplied with RF1 radio to IR receiver (WZB-RF1), 3 dual IR emitters (VIEC-3502F), jack-jack cable for MBC link and CUSTO-RLRS mini controller. **£1,389.00**

IR & Radio Touch Panel Remote Control Accessories

VT.WZB-RF1 Radio ZigBee receiver with 4 x IR, 1 x RS-232 and 1 x IR for MBC connection. Supplied with 3 dual IR emitters. **£195.00**

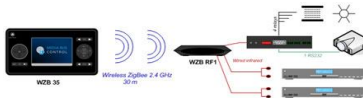

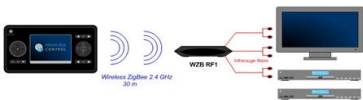

VT.WZB-RF2 Radio ZigBee receiver with 5 x relays and 1 x RS-232. Supplied with 5 x 3.5mm jack to bare end adaptors. **£345.00**

VT.MGH-35 Spare or replacement internal rechargeable battery for WZB-35. **£97.00**

Wired Desktop LCD Touch Panel Remote Control

VT.VIMATY70S 7" LCD colour touch panel with IR out, MBC Bus and RS-232 ports, GPI or IR in port and 4 video CVBS inputs. Delivered with EXBOX RS and power supply. Direct learning of IR codes. **£2,153.00**

VT.TACTUM-13DKP 13" desktop touch panel with fanless 1GHz Intel CPU, 512 MB RAM, 2Go Flash memory, AV input and built-in loudspeakers. Windows XP embedded. **£3,650.00**

VT.TACTUM-15DKP	15" desktop touch panel with fanless 1GHz Intel CPU, 512 MB RAM, 2Go Flash memory, AV input and built-in loudspeakers. Windows XP embedded.	£3,973.00
<i>Inwall LCD Touch Panel Remote Control</i>		
VT.VIMATY70GLS	7" full-colour inwall touchscreen with flush mount glass casing in black. IR, RS-232 and MBC comms. Includes power supply and wall box.	£2,278.00
VT.VIMATY70EIBGLS	7" full-colour inwall touchscreen with flush mount glass casing in black. IR, EIB and MBC comms. Includes power supply and wall box.	£2,628.00
VT.TACTUM-10MXP	10" in-wall touch panel with fanless 1.66GHz Atom, 1GB RAM, 2Go Flash memory, 2 Mpx autofocus camera and built-in microphone. Windows XP embedded, includes Ethernet port with Hub. Supplied with wallmount box and power supply.	£3,645.00
VT.TACTUM-15MXP	15" in-wall touch panel with fanless 1.66GHz Atom, 512MB RAM, 2Go Flash memory, 2 Mpx autofocus camera and built-in microphone. Windows XP embedded, includes Ethernet port with Hub. Supplied with wallmount box and power supply.	£4,000.00
<i>Desktop & Inwall LCD Touch Panel Remote Control Accessories</i>		
VT.TACBOX-16DX	Home automation server or central unit for connecting any USB touch panels. Atom processor, HDD 160Go - Delivered with Windows XP embedded and FLH SERV licence	£1,276.00
VT.VITYLAN	VITYLAN can be use as an Ethernet <-> MBC bus gateway or as a WEB server. It enables any Vimaty to command via IP (can be PoE).	£498.00
VT.EXBOX-RS	Additional connection block for Vimaty70S. Power supply not included.	£175.00
VT.EXBOX-EIB	Additional connection block for Vimaty70EIB. Power supply not included.	£247.00
VT.WB-70SGLS	Inwall orange plastic box with connection board for Vimaty70GLS mounting. Power supply not included.	£205.00
VT.WB-70EIBGLS	Inwall orange plastic box with connection board for Vimaty70EIB mounting. Power supply not included.	£250.00
VT.WB-70EMPGLS	Inwall orange plastic box without connection board for Vimaty70GLS mounting. Power supply not included.	£62.00
VT.YV48A1-12MP	12V DC power supply for Vimaty70, EXBOX modules or for powering up to 16 iTuch modules.	£72.00
<i>Touch-Sensitive Modules</i>		
VT.ITUCH-RL	Touch-sensitive relay module allowing the user to launch commands through materials up to 40mm thick. Power supply not included as standard.	£217.00
VT.YVV10P1-12MP	12V DC power supply for wallbox for iTuch	£40.00
<i>1U Single Card Media Bus Controllers</i>		
VT.MINIMONO-485	Small 1U open-architecture single card controller. Features 4 x GPI, 2 x IR In, 6 x Relay/IR Out and 2 x RS232 connections.	£998.00
VT.MINIMONO-IP	As above with included Webserver and Ethernet connection for IP control.	£1,239.00
VT.MAXIMONO-485	Medium 1U open-architecture single card controller. Features 4 x GPI, 2 x IR In, 6 x Relay/IR Out and 6 x RS232 connections.	£1,750.00
VT.MAXIMONO-IP	As above with included Webserver and Ethernet connection for IP control.	£1,990.00

Single Card Media Bus Control Systems

VT.MULTICUSTOM-485

2U rack-mountable open-architecture modular controller with RS-485 comms. Holds up to 10 control modules.

£723.00

VT.MULTICUSTOM-IP

2U rack-mountable open-architecture modular controller with IP comms. Holds up to 10 control modules.

£1,221.00

VT.MCM-IRTX

Standard IR transmitter module. Features 6 x 3.5mm jack outputs.

£120.00

VT.MCM-IRX

Specific IR receiver module. Features 6 x 3.5mm jack inputs. Input 6 can be used for IR learning.

£180.00

VT.MCM-VCA

Standard module to control 2 balanced or unbalanced audio volumes via Phoenix connectors.

£232.00

VT.MCM-RL

Standard module featuring 8 relays.

£217.00

VT.MCM-0-10

Standard module for 0/10V dimming. Features 8 outputs.

£360.00

VT.MCM-RS

Standard RS-232 module, 2 outputs.

£240.00

VT.MCM-GPI

Standard feedback module with 8 general purpose inputs.

£205.00

VT.MCM-DIN

DIN rail fixings for multicustom enclosure.

£47.00

Mini MBC Controllers

VT.CUSTOLAN-DALI

Mini controller to drive DALI by RS-485 MBC bus and Ethernet.

£675.00

VT.CUSTOLAN-RL

Control module to drive 8 x relays by Ethernet and RS-485 MBC bus.

£675.00

VT.CUSTOLAN-RS

Control module to drive 2 RS-232/422/485 devices by Ethernet and RS-485 MBC bus.

£675.00

VT.CUSTOLAN-MIDI

Module to control MIDI devices by LAN and RS-485 MBC bus.

£675.00

VT.CUSTO-RLRS

A small, economical controller to drive 4 x relays N/O N/C and 1 x RS-232 by IR or RS-485 MBC bus.

£373.00

VT.CUSTO-FX

Rack ears for CUSTO modules.

£30.00

VT.CUSTO-DIN

DIN Rail fixing system for CUSTO modules.

£30.00

MBC Controller Accessories

VT.TACBOX-16DX

Home automation server or central unit for connecting any USB touch panels. Atom processor, HDD 160Go - Delivered with Windows XP embedded and FLH SERV licence.

£1,276.00

VT.850150

Internal Ethernet card to upgrade Minimono-485 and Maximono-485 to IP.

£240.00

VT.850170

LAN and power supply card to upgrade Multicustom-485 to IP.

£498.00

VT.ZIGACCESS-MB

Zigbee cellular access point with 1 x MBC port.

£348.00

VT.RS232-DMX512	Control gateway to allow control of any DMX-512 device by RS-232.	£701.00
Multizone Amplifiers		
VT.MAP-1200	6 zone/6 source distribution amplifier. Up to three units can be daisy-chained for a total of 18 outputs. Audio outputs via Phoenix. Supplied with 6 x MAP-KP1 keypad controllers and 1 x MAP-RC1 IR remote control.	£1,990.00
Multizone Amplifier Accessories		
VT.WPCX-KPCX	Pack of three faceplates for MAP-KP1 controllers: 1 x white, 1 x ivory, 1 x black.	£30.00
VT.MAP-RC1	Spare/replacement IR remote control for MAP-1200.	£60.00
VT.SLB-1	Wall box for in-wall mounting of WPCX-KPCX/MAP-KP1 controller.	£20.00
IR Accessories		
VT.VIRB-3800-1	Desktop IR receiver allowing reception of IR codes sent by any 38 KHz IR remote controls. Cable length 2m terminated to 3.5mm Jack. To be used with VRPT 201-1, VRPT 204-2, VRPT-106 connection blocks.	£122.00
VT.VIRP-3800	Wallmount IR receiver allowing reception of any IR codes sent by any 34-40 Hz remote control. Can be used with VRPT 201-1, VRPT 104-1, VRPT 204-2 or VRPT-106 connecting blocks and offers luminescence and plasma anti-interference.	£92.00
VT.VIRC-3800A	Miniature infra-red receiver accepting IR emitted by any infra-red remote controls at 38kHz. It can be positioned on a table or fixed at a piece of furniture or a wall and used indifferently with VRPT 201-1, VRPT 104-1, VRPT 204-2 or VRPT-106 connection blocks. Offers very strong immunity against the luminescence and plasma interference.	£95.00
VT.VIRT-3800-3	"Peep-hole style" IR Receiver allowing reception of IR codes sent by any 34-40 KHz IR remote controls. To be clusted in furniture and used with VRPT 201-1 or VRPT 104-1, VRPT 204-2 or VRPT-106 connection blocks. Also features luminescence and plasma anti-interference characteristics and is available in black, white or brass colour.	£130.00
VT.VRPT-104-1	Connecting block : 4 IR output emitters 3.5mm jack for VIEC-1 IR receiver input terminal 3 wires. Can be used with VIRT-VIRC-VIRP.	£55.00
VT.SLB-1	Wallmount box for VIRP-3800.	£20.00
VT.PWS-1212EU-PS1	12V 1.2A external power supply for VRPT IR connection blocks.	£30.00
IR Emitters		
VT.VIEC-3501F	Single IR emitter with blinking LED. 3m cable terminated to 3.5 mm jack for connection to terminal block or any VITY MBC controllers.	£22.00
VT.VIEC-3502F	Dual IR emitter with blinking LED. 3m cable terminated to 3.5 mm jack for connection to terminal block or any VITY MBC controllers.	£30.00
Electrical Accessories		
Power Relays		
VT.KRT	DIN rail mounted power relay for MBC RL and Monopro modules.	£42.00
VT.KRAL	12 VDC Power supply - 1A for KRT relay coil.	£87.00

All Vity products are covered by a 2 year manufacturer's warranty from date of first purchase. Warranty does not cover user-abuse.
